CALL FOR PAPERS

Submission Deadline: January 15, 2027

3RD CREST – IFAU WORKSHOP

Evaluating Labor Market Policies: Methods and Results

22–23 April 2027 · CREST, Palaiseau (Paris area), France

We are pleased to welcome submissions for the third edition of the CREST – IFAU Workshop on "Evaluating Labor Market Policies: Methods and Results".

We invite submissions on topics in labor economics, broadly defined. Papers including innovative approaches or methodological contributions are particularly welcome. We expect to have around 10–15 presentations and a poster session intended for PhD students.

KEYNOTE SPEAKERS

Katrine V. Løken
(NHH Norwegian School of Economics)

Clément de Chaisemartin
(Sciences Po)

SUGGESTED TOPICS

- Policies aimed towards the unemployed (UI, training, activation policies)
- Functioning of the labor market
- Relationships between labor market policies, education and health
- Labor market and inequality (in wages, occupations, job tasks, etc.)
- Policies to integrate migrants into the labor market
- Innovative methods for policy evaluation
- AI and the labor market

SUBMISSION DETAILS

The scientific committee welcomes full papers (preferred) or extended abstracts (minimum of three pages) in PDF format for consideration

Submission Deadline: January 15, 2027
Notification of Acceptance: February 15, 2027
Email Submissions to: workshops@ensae.fr
